PROPOSAL REFERENCE: 90230140

DATE: June 12, 2015

Dear Gary,

Thank you for your interest in services provided by Aggreko LLC. I am pleased to submit the following proposal, which confirms our pricing and support services. Please keep in mind Aggreko is responsive around the clock to ensure your complete satisfaction.

Overview of Services

Aggreko to provide rental of the equipment shown below to Fieldwood Energy LLC. Equipment previously on rent to Chevron at East Breaks 160. All responsibility transferred to Fieldwood Energy LLC as of 05/25/2015. No delivery freight to be charged on this proposal/agreement due to equipment already being on site. Based on this request, I am pleased to present the following proposal.

Offshore - East Breaks 160

Purchase Order - LOE

Contact - Gary Smith

Intracoastal City, LA

Rental Start Date - 05/25/2015

Please contact me if you have any questions or comments. I look forward to working with you.

Sincerely,
Barry Gautreau

Expected Rental Start: May 25, 2015
 Expected Rental End: July 02, 2015
 Rental Period: 39 days

Pricing for Proposal: 90230140

Rates are prorated daily.

All monthly pricing based on a 28 day billing cycle.

*Filters may be required for service and/or maintenance during the duration of the rental.

Additional Charges:

Description	Charge
Environmental Fee *Upon Termination	5% of Selected Equipment Charges
Fuel - Per Gallon	\$5.75 Per Gallon
Freight - Per Load	Cost Plus 30% Margin
Labor - Per Hour	\$125.00 Straight Time (8AM-5PM, M-F)
Labor - Per Hour	\$187.50 Overtime
Labor - Per Hour	\$225.00 Weekend / Holiday
Labor - Per Mile	\$1.50 Travel Mileage
Labor - Per Diem	\$75.00 Per Day

Environmental Fees

Environmental fees apply relative to emission components, testing, lubricant disposal, anti-freeze, and other environmental waste products.

Fuel

All diesel-powered equipment will be returned with the same amount of fuel as delivered or will be subject to refueling charges. Aggreko's fleet of diesel engines operates on #2 diesel fuel. Delivery charges for standard on-site fueling may apply. Fuel rates may be adjusted during the rental based on fluctuations in market pricing.

Freight

Charges to deliver and pick up equipment to your site will apply if arranged by Aggreko. Delivery/Pickup standby time may be charged in the event of customer-caused delays.

Equipment Maintenance and Service Labor

It is the customer's responsibility to maintain and service equipment during the project term, although, equipment servicing can be performed by Aggreko at an additional charge. All of Aggreko's generators and diesel compressors must be serviced at the following intervals; Diesel Generators 450 Hours / Gas Generators 750 Hours / Diesel compressors 250 Hours. If the customer elects to service the equipment, proof of service must be provided to Aggreko upon request. Daily inspections of the equipment are also the responsibility of the customer. These checks should also be carried out prior to starting the equipment. The customer is also responsible for providing fuel, coolants, lubricants, and other supplies necessary to operate the equipment.

Remote Monitoring

This service is provided on designated equipment models. If applicable, Aggreko personnel will remotely monitor warning and emergency alarms to minimize downtime, increase reliability and proactively troubleshoot issues in a timely and cost effective manner. Corrective action may include the dispatch of service personnel and/or technical phone support directly to onsite customer contacts. The associated fees will be listed above as "Remote Monitoring Fee" (per unit) or "Remote Monitoring Package" (per site). These rates are based on the availability of cellular service at the jobsite. If cellular connectivity is unavailable, other technology may be available at a rate to be agreed upon in writing by the parties.

After-Hours Fee

To cover the additional cost of labor and third party expenses incurred for equipment preparation and mobilization, an After Hours fee applies to orders executed outside of normal business hours (Monday – Friday 8am – 5pm). If ordered and subsequently canceled, the fee will be charged in addition to any other cancellation charges.

Equipment Grounding

In all cases where the customer is connecting and operating the equipment, all electrical power producing and/or power consuming machines must be properly grounded in accordance with National Electrical Code and local code requirements prior to start up and shall be the responsibility of customer to verify compliance. The location where grounding rods are to be installed should be properly marked for location of underground utilities and other hazards prior to grounding. Customer acknowledges Aggreko is not familiar with any proposed grounding location(s), the accuracy of relevant markings or existing subsurface hazards. As such, Aggreko does not assume any liability for incorrect or ineffective grounding and customer expressly releases and shall indemnify Aggreko from any liability related thereto, regardless of the party that performs this service.

Payment Terms

Payments shall be made Net 30 from date of invoice, but are subject to change based on previously agreed upon MSA terms already in effect, financial condition at the time of proposal acceptance or changes in financial condition that occur during the rental, as set for in the North American Rental Agreement Terms & Conditions.

Terms, Conditions and Customer Responsibilities

- Customer responsible for obtaining any relevant operating permits, and shall be liable for any and all penalties, delays and damages caused by its failure to timely obtain all such permits, including reimbursement to Aggreko for any fines paid on Customer's behalf and regardless of the party to which the citation is issued.
- State and local taxes apply. TAX is NOT included on any Aggreko proposal. A tax exemption certificate is required for those applicable.
- Any and all required union labor
- Full replacement insurance on equipment (Certificate must be provided prior to delivery)
- All lifting/off-loading of equipment (if applicable)
- All services provided by Aggreko are subject to the MSA currently in place between the parties, if applicable and, if not, then subject to "Aggreko North America Rental Agreement Terms & Conditions". This document is provided online at: http://www.aggreko.com/NorthAmerica/useful_links/terms_of_business.aspx and is incorporated herein by reference. Alternatively, a copy will be provided upon request. Customer accepts and acknowledges receipt thereof by these methods. Aggreko will accept no alternative terms and conditions. In the event of conflict, the terms set forth herein shall control.

Important Customer Information

- This proprietary document has been created for Gary Smith and Fieldwood Energy LLC, it is therefore acknowledged and agreed to honor our proprietary right to the contents of this proposal and therefore not share the ideas or concepts within.
- All proposals are valid for 15 days and contingent on availability. Acceptance must be provided in writing prior to the end of the valid period.

Cold Weather Provision

Winter Months: (OCTOBER – MARCH)

Any fuel provided by the customer should be of a winter blend or contain an anti-gel fuel additive. All fuel related issues (fuel-gel, frozen lines, dirty fuel, etc.) that requires Aggreko Service Technicians to make repairs will be billed at the standard labor rates outlined in this proposal. To avoid any fuel related responsibilities, Aggreko offers fuel management services. Please speak with your sales representative about choosing this option. It is the customer's responsibility to provide power for the Heat Trace, Block Heater and Trickle Charger. Aggreko can provide power for an additional fee.

To Place Order

1. Complete, sign, and return the following proposal acceptance page.
2. If referencing a purchase order, please provide hard copy.
3. If tax exempt, please provide a copy of your tax exemption certificate. Once received, it will remain on file for four years for future business. *You will be charged applicable tax if the certificate is not received prior to order acceptance.*
4. Provide a valid certificate of insurance, which can be obtained from your insurance provider.

To Terminate Rental

1. Call 800-Aggreko (800-244-7356). Aggreko requires a minimum of a 24-hour notice for arranging the decommissioning and return freight. Off hire notifications received after 5pm will be acknowledged the following day.
2. Provide the Rental Agreement Number, a Purchase Order Number, or the Equipment Unit Number. Additionally please provide items to be collected, job location, pickup date/time, site contact person name/phone number, and decommission requirements (including technician, de-fuelling, crane/forklift, and confirmation of freight carrier arrival time for return delivery).
3. You will receive a confirmation email within 24hrs to acknowledge your request. If you do not receive this confirmation, please contact your Aggreko Representative. A rental will not be deemed terminated without proof of termination, as set forth above.
